Re: Wallisville Road
Houston, Texas

Dear Mr. Corley:

This is to advise you of a meeting, on November 9, 1981, at 10:00 a.m., in Houston, Texas, involving representatives of Southern Pacific Railroad, Mustang Tractor and Equipment Company, Eureka Investment Company, Houston Belt and Terminal Railway Company and the Olin Corporation.

The purpose of this meeting is to attempt to reach an agreement, among all the affected parties, concerning the appropriate investigative and the scope and extent of any remedial action required at the Wallisville Road site. This meeting follows a number of written and telephone exchanges among all the parties and we anticipate providing the USEPA with a complete, technical response, to the Agency's original notices in connection with this site, shortly after November 9.

Please feel free to contact the undersigned if you wish to discuss this matter.

Sincerely,

Allyn Myles Carnam
